

GREEN BAY SCHOOL

Respect Whakaute Positivity Matika Initiative Auahatia

August 2025

Important Information for Year 0 to 2 Parents/Caregivers

*Green Bay School is a **water only** school. Please provide a named water bottle every day for your child at school. Juice, juice boxes, fizzy or energy drinks are not permitted at school please.*

*Rooms 17, 18, 19, 20, 22, 23, 24 and 25 are **nut free**.*

'Nut free' comprises all whole nuts (peanuts and tree nuts), products containing nuts (biscuits, muesli bars, cereals) and nut butters (peanut butter, almond butter, cashew butter etc).

This stance is to protect the students within our junior school with severe allergies who are at risk of a serious allergic reaction (Anaphylaxis). These allergies can be life-threatening, even with minimal contact with nuts, including being around others who have eaten or touched nuts.

We must take every precaution to prevent any exposure to nuts and nut products. Your co-operation in not sending any nuts and nut-containing products with your child is crucial and greatly appreciated.

Thank you for your understanding and support. The families of children with allergies truly appreciate your help in keeping their children safe at school.

*Regards
Green Bay School*
