

# GREEN BAY SCHOOL

THURSDAY 27 AUGUST 2026

Year 7&8 Open Evening  
6.30pm to 7.30pm  
School Hall

- Our students benefit from a comprehensive classroom programme that centres on all essential learning areas of the NZ curriculum.
- We offer specialist Science, Art, Music and Te Reo Māori programmes.
- Our students attend Green Bay High School for Technology and are advantaged by the expertise of the specialist teachers running their programmes.
- The uniqueness of our smaller intermediate department supports closer connection between teachers and students.
- Our students have a greater opportunity to participate in a wide range of sporting, cultural and academic activities that are offered.
- Annually, there will be a camp for our Year 8 students. In 2027, this will be at Camp Bentzon on Kawau Island. As well, there is an annual Sports Camp at Totara Springs for selected Y7&8 students.
- Parents/caregivers are welcome to attend our Open Evening with their child to hear our Prefects speak about their learning at GBS and the Whānau Kauri teachers on the expectations we have for our students and student leaders at Green Bay School.

## YEAR 7&8 OPEN EVENING

### Thursday 27 August 2026

Tēnā koutou parents/caregivers and whānau

You are invited to attend our Y7&8 Open Evening.

Due to the number of current GBS Y6 students staying on with us into Y7 2027, enrolment acceptance will prioritise new in-zone applications.

- Out of zone applications close: Wednesday 2 September 2026
- Outcome notified: Wednesday 9 September 2026

### Open Evening Outline:

All Y6 students along with parents/caregivers and whānau are invited to meet in the Hall for the Principal's Welcome at 6.30pm (prompt start).

Our Open Evening will be hosted by Whānau Kauri teachers (Y7&8), GBS senior leadership and GBS 2026 Prefects. This will include an initial meet and greet, presentations and talks, ending with a question and answer session.

Prefects will meet visitors at the main school gate (131 Godley Road, Green Bay) and escort you to the meeting venue.

Enrolments packs will be available at this event.
