

Wednesday 15 April 2020

Dear Parents/Caregivers of Green Bay School

Welcome to our new look Term 2, 2020. Just a quick update on what will be happening for our students during this interim of online learning.

Again, first and foremost is your well-being. There will be many families (and that includes our staff family members) who will have lost their jobs, our thoughts are with them and their children. While we have set many online activities for our students, some of them may not be able to complete these tasks. Students should be encouraged to do activities that they are comfortable with like art, cooking, etc to support not only their interests but their well-being as well.

We are now following distance learning and our students are working with the Online Learning that our teachers have set for them. Please view this schoolwork on our school website:

- [www.greenbay.school.nz](http://www.greenbay.school.nz)
- click Online Learning
- choose the Year Level

The Ministry of Education has also updated their learning activities, these can be accessed from the links on our school website. TV channels will provide lessons to our students on school days from 9:00am until 3:00pm also.

### **The Connected Learning Advisory**

Help desk support is available for teachers, kaiako, leaders, tumuaki, parents and whānau from early learning through to secondary in English medium and Māori medium settings. You can phone the Learning from Home helpdesk on 0800 700 401 and Ki Te Ao Marama on 0508 294 462 between 8:00am and 5:00pm on business days.

*Ngā mihi*

***Be kind, keep safe, and look out for each other.***

*Arohanui*

*He whānau kotahi tātou - We are one family*

*Kind regards*

*Anand Muthoo*

***Principal - Green Bay School***
