

Dear Students, Parents and Caregivers,

School holidays have been brought forward and begin on Monday 30 March to Tuesday 14 April inclusive. It is important to take a break from schoolwork at this time.

In the meantime, we have set up learning tasks for 'Home Learning' due to COVID19. The timetable below is provided as a suggestion only, for how you could run your child's day. However, each family will find the path that suits them.

Find what works for you. Include outside time, rest and sleep. Try some gardening and creative projects, along with puzzles and games, to be together.

As school has closed, we will stay in touch with all families to provide support during this time. Students will be able to access some home learning activities through their google classroom and seesaw apps.

Thanks and kind regards,

Whanau Kowhai
