The Way it Was Compare what it was like when your grandparents/parents were young. Did they have mobile phones? What toys did they have? You could phone a grandparent or elderly friend to find out what it was like when they were young.</p>

Pohutukawa Home Learning - Term 1 Week 5 - Year 2

Lunch	Lunch	Lunch	Lunch	Lunch
Creativity and Exploring Here are some ideas • Lego • Painting • Art and craft • Making out of boxes • Baking • Gardening • Tree climbing Learn a new skill like... • Skipping • Tying shoelaces • Catching and throwing • Riding a bike without trainer wheels • Learn a new dance • Build a hut inside or outside • Learn a new board, card or dice game • Finger knitting • Create a new game - inside or out • Make a card or write a an email or letter to a friend or family member who you are missing • Make a kite • Do a project on something that interests you. It's up to you!				

Exploring Fractions Ideas

- talking about the idea of fair/equal shares.
- talking about the relationships between one whole, half, quarter/forth, and third
- Use the language of fractions when baking or serving a meal
- Find half, third and fourth/quarter of a piece of toast, sandwich, pizza, pikelet etc.
- Use playdough, Lego, blocks to find fractions of shapes and sets.
- Identify the symbols for common fractions half, quarter, third, fifth and tenth
- Learn double and half basic facts to 20 e.g. $7+7=14$ so half of 14 is 7
