<p>Handwriting Letter formation Lower - j Start in the middle, down and a monkey's tail, dot on the top.</p>	<p>Handwriting Letter Jj Letter formation Upper - J Start at the top of the line and down, around, with a line and a line at the top.</p>	<p>Handwriting - practise writing numbers. Are you starting in the right place? Are they around the right way?</p>	<p>Handwriting Letter Jj Letter formation Upper - J, Lower - j Start at the top of the line and down, around, with a line and a line at the top</p>	<p>Words beginning with J and ending with J</p> <p>Go hunting outside or inside and see if you can find anything that begins</p>

<p>Can you write 2 lines of letter j's? Tick your best one. When you can write your first name practise writing your whole name - your first name and your last name.</p>	<p>Make sure your letters are sitting on the line. See if you can write these words that have a j in them. Put a circle around the Jj. jump, jiggling, jelly, Justin, jet, job, jog, juice Use water to write some of the words on your concrete outside. How long will they take to disappear? You could make the words out of playdough or magnetic letters if you have them.</p>	<p>You could make numbers out of playdough You are all 5. Draw some groups of 5 - 5 apples, 5 candles, 5 toys etc Write a number 5 by each group you have made Extra for experts - How many do you have if you have two groups of 5?</p>	<p>then do a lowercase j, start in the middle, down and a monkey's tail, dot on the top. You could ask an adult to help you make some jelly. You could sing our Letter Jj song Jiggling jelly j, j, j, (x3) j is the sound that j makes Does your jelly jiggle?</p>	<p>with j.. Draw some of them or, if you can, take a photo of them. Ask for some help to label the things you have found and put circles around the j again.</p>
