

December 2025

We are pleased to share that the Green Bay School Pool will be **open Monday 5 January to Saturday 24 January (closed Sundays) from 12pm to 5pm, free for whole community to enjoy.**

This is a wonderful chance for everyone to cool off and enjoy the season.

Lifeguards will be on duty, so please follow all instructions and pool rules to help keep everyone safe while making the most of this great opportunity.

*The pool will also open throughout **February on Saturdays only, from 12pm to 5pm**, continuing to offer free access for our community.*

School-specific details:

- Access to the school will be via Godley Road and the Cajero Place gate will also be unlocked over the opening times
- The pool is open to all of the community so please share with your family & friends
- A maximum of 50 people are allowed at anytime over the opening hours, the lifeguards will be monitoring this
- All swimmers 16 years and under must be accompanied by a guardian
- All swimmers under 5 years must have a guardian in the pool at all times
- No Alcohol is allowed to be consumed on site

A warm thank you to the Whau Local Board for funding this initiative, and to Swimsation for providing lifeguards to ensure the pools remain safe and accessible for all.
