

Garden design

A course for Auckland gardeners held at West Lynn Garden

Explore ideas and learn design techniques for planning creative and sustainable gardens. This course will emphasize how gardens can combine function, beauty, and regenerative ecology and make a significant contribution to the city environments well as providing enchanting private spaces.

Includes: review of current ideas and common challenges with a focus on the Auckland environment, introduction to design theory and techniques, the chance to design your own garden under studio guidance.

Will suit: anyone who wants to improve or develop their own garden and/or gain skills in design for personal or professional purposes.

Will run: 8 sessions x 2 hours Sunday afternoon from 4 Oct - 29 Nov 2026 in the West Lynn Garden function room, - this will give us the chance to get instruction and inspiration from the garden during the course.

Contact Nick 020 441 1379, nick@nickrobinson.co for more details for course outline & to book. Cost: \$200. Nick Robinson is a practicing garden designer, horticulturalist and ecologist based in Auckland with extensive experience of teaching landscape architecture and garden design.
