

# STREET LIFE – Green Bay

A Street Activation at Green Bay Shops, Godley Rd  
Saturday, August 23rd, 10am till 12pm

STREET LIFE is a concept created by local innovative production company Pea-Knuckle Productions, Aotearoa. It's a fun-filled 2 hour event which includes Live Music, a Family Disco, Free Facepainting and the chance to get your hands on a good old fashioned BBQ sausage in bread with a bit of sauce for nothing.

This event will be held at the Green Bay Shops on Godley Road on Saturday, August 23rd. It starts at 10am and finishes around 12pm. Short and sweet - Pirates, Mermaids and Creatures of the Sea being the theme, so don't be afraid to dress appropriately for the occasion. There will be prizes for the best dressed of course!

All shops in the complex will be onboard, hopefully sporting suitable attire so be sure to pop in and check out their wares.

Onsite you'll see Captain Festus McBoyle on Family Disco duties – Spinning his favourite tunes for an hour, after which he'll be joined by Ebenezer Strong for another hour of Live Roving Pirate shenanigans.

Face painting will be free for kids thanks to Vicki Ingham Real Estate - Ray White/Green Bay. All faces will be beautifully painted by 'Paint me Lizzie', yet another talented local business onboard for this event.

The Sausage sizzle has been very kindly sponsored by New World, Green Bay and sausages will be free from 10am till 12pm.

If you feel like coming down to busk on the day, simply reach out beforehand and we'll try to squeeze you in if possible – contact [rich@manic.co.nz](mailto:rich@manic.co.nz)

Definitely bring the kids and be sure to check out STREET LIFE.

Look forward to seeing you there!
