

WHAU HOLIDAY ART PROGRAMME

FREE | OCTOBER 2 - 6 | NEW LYNN | WHAUTHEPEOPLE.COM

Kia ora koutou,

We are excited to offer this creative opportunity for young artists in the Whau. During the second week of the October school holidays, we have 20 spaces available (per day) for students aged between 9 - 13 years to participate in a FREE arts focused holiday programme!

This opportunity is available to students in Avondale, New Windsor, Blockhouse Bay, New Lynn, Kelston, Green Bay, Glendene and Te Atatū South areas. The programme will be held at the Suburbs New Lynn Cricket club, on the shores of the Whau river and in walking distance to Te Toi Uku and public artwork in New Lynn. This programme is run by Whau the People with experienced tutors Deahne Stone and Loreal Hettig (with guest workshop artists throughout the week!). The overall programme is funded by the Te Whau Pathway Project to educate and engage more people in the Whau area about the river and new pathway development that will connect the Whau areas together.

If you are a teacher or caregiver who knows a young person(s) who would thrive in this holiday programme, please pass this on. Spaces are limited and we will be doing our best to ensure students from each of the areas listed in the Whau can have an equal opportunity to participate.
