Kia ora GBS Whanau

Alert Level 3 Update

We are still in Alert Level 3, and we thank you for continuing to support us during this time.

From Monday 18 May, we move to Alert Level 2 and school will reopen for all GBS students.

Alert Level 2 protocols for students and parents will be sent out over the next few days. We ask that you please adhere to them. The health and safety of our GBS whanau; students, staff and parent community are of paramount importance and will be at the forefront when setting out these Alert Level 2 protocols.

In the meantime, we are still at Alert Level 3 and classroom distance learning continues.

Kind Regards
Ngā mihi

Anand Muthoo
Principal
