

29 May 2020

Dear Parents/Caregivers

GBS Alert Level 2

Thank you for your support during the last few months, as together we united against the challenges of Covid-19.

Since Monday 20 May we have had an average of 84% of our students return and we are looking forward to full attendance by the remaining 16% to happen as soon as possible.

Getting back to a normal routine is important for the health and wellbeing of our students, as being around their peers and teachers helps them feel in control and reassured. Regularly attending school really matters when it comes to our student's learning and their future.

Alert Level 2 Parent Protocols (attached) will continue until further notice. The staggered drop-off and pick-up times are working well for all students and we are finding that school starts on time and with a full classroom. This bodes well for classroom learning with less interruptions from late students and is an unexpected bonus.

Please be advised that both front and back school gates are locked at 9am after the staggered arrival of all students. If you arrive for any reason after 9am, the only way onto the school grounds is to come to the main gate on Godley Road and to phone the school office, this is the only gate that is manned during the school day. Please do not leave students unattended outside the back gate (Cajero Place) after 9am.

School resumes on Tuesday 2 June after the long Queen's birthday weekend.

Yours faithfully
