Dear families of Green Bay School

The Prime Minister's announcement today confirms we will continue in Alert Level 3 until Sunday 30 August 11.59pm, at which time we will then move to Alert Level 2 along with the expectation of returning to school from Monday 31 August.

We would like to thank all of you once again for your continued support.

All classes will continue with on-line learning and we will update all families as and when we receive further information on Alert Level 2 requirements for next week.

In the meantime, stay safe, stay home and be kind always.
