Dear Parents/Caregivers of Green Bay School

Welcome back to school. Our students are all excited to be back and getting on with their learning.

The Health and Education Minister, Chris Hipkins, has assured concerned parents it is safe for students to return to school in Auckland. His message was clear - "do get your kids back to school, their futures depend on this. They have had a lot of time off school already this year and we don't want them having time off school that they don't need".

Our student attendance figures for Monday 31 August was 79%, Tuesday 1 September 81% and Wednesday 2 September 82%. We would like to have all our students return to school.

If they are sick, then they do need to stay at home however, if they aren't sick, please send them to school to continue with their learning.

Regards

Anand Muthoo
Principal
Green Bay School
