Kia Ora Parents/Caregivers of Green Bay School

Our community are continuing to take COVID-19 seriously through using the COVID-19 tracer App, staying away from school if they are sick, seeking medical advice and getting tested if recommended to do so. Thank you all, for your efforts.

While we are doing the right things, it is important that we continue to pay attention to the right information. Misinformation is designed to create panic, fear and confusion. Get the correct information from the Ministry of Health or Unite Against COVID-19 websites. The Ministry of Education also provides information for schools and early childhood learning services including specific information for parents and caregivers.

Our knowledge of COVID-19 is developing quickly, but misinformation spreads further and faster. Be part of the solution and don't share posts or stories if you're not sure that they are true, always check your source.

Āraia te kino and protect yourself, your whānau and your whakapapa.

Ngā mihi

Anand Muthoo
Principal
Green Bay School
