

Thursday 14 April

Dear Parents/Caregivers

Total positive COVID-19 cases for Term 1 was 171.

A huge thank you to EVERYONE - parents/caregivers, students, teachers, and staff of Green Bay School for working together and getting us through some very tough stages of this pandemic. We know it's not over, but it is getting easier.

Please continue to email admin@greenbay.school.nz should there be positive (student) cases within your household over the school holidays, this is for our records.

We will communicate with all families before the start of Term 2 on the government's announcement made yesterday on our move to the Orange Traffic Light Setting.

Enjoy your Easter break and school holidays.

Regards

Green Bay School
